Declares Stories Are Untrue.

"Many of the stories told about me durng my sickness by the board of education were untrue. I was never in a runaway as was reported. The true story carriage when it happened.

stopping. I knew all the time I was catching cold. The day I appeared at the hearing I was made to wait in a room ming?" that was cold, for an hour and ten minutes. Consequently, when I was called to Superintendent Stuart and the members

amused at some of them. They were ut-terly false, and the board had no evi-

dence on earth to support them. "I have not had time to read about BRYAN WILL LECTURE HERE told the details of the trial, but what I have been told about, I know to be

Dr. Chancellor was asked if he had read Evangelical Meetings to Be Held at the newspaper reports of the trial.

Has Done Little Reading, "My condition has been such," replied Dr. Chancellor, "that I have not been the trial I have read in the papers was board which appeared in The Washington Herald a few days ago.

"Mr. Fulton, my attorney, has been managing the case for me, and I have

I disobeyed the orders of the board of education. This referred to my staying away longer on my vacation than I had permission. The truth of the matter is, I was going to return on the original date set, but one of the officials of the board told me none of the supervising principals

was in town, and that if I did return there would be nothing for me to do. Other charges were testified to that were false, but I cannot take the time to enumerate them.

"Evidence was introduced at the hearing, saying I was in Chicago one Wednesday morning at 8 o'clock. A little later another witness for the prosecution said I was in Philadelphia late the night before and did not reach Chicago until the following afternoon. This last statement was true. But this is just an instance of the many times the witnesses for the prosecution contradicted themselves.

Visited All the Rooms,

'Several supervising principals testified I had not visited their schools, when, as Ralph W. Hills, a prominent attorney of a matter of fact, I visited every school- the District. room in the city, while I was superintendent, and some of them as many as afteen times. But the most surprising fact is that during that time I didn't see schoolrooms, If they didn't have time to

'The supervising principals are merely derks, and really don't have time to visit their schools as they should, yet they appeared at the trial and accused me of doing things they don't do themselves. In fact, their testimony was given to support a charge made, and not to show where I had really been deficient in my

telephone more than was needed, and communicated many of my orders by it. home of her daughter, Mrs. Mary R. Ba-That is true. I did transact all the busi- ker, 23 Lafayette square. ness I could by 'phone. I did this be-cause I was not supplied with the kind of assistant I needed in my office. In all the other places I have worked I have had competent male clerks. Here I had O streets, who has been ill in Georgepetent, but I should have had several

"I had a large mail, most of which was about routine matters, and this I turned over to Miss Burch. The rest I had to attend to personally the best I could. And as the government had provided me with a good telephone system I used it

I took the oath of office. I would not steamship Lusitania. The volume, which is a presentation one to the Cunard Steamship Company, Limited, by the concern that has acted as its publicity agents for the last twenty-five years, is sixteen by eighteen and a half inches, and five and a half inches thick, and contains nearly 10,000 clippings, on every richly bound in full, crushed, red Turkey merocco, handsomely tooled in gold, with various nautical emblems

HARMON IS PLEASED

Democrats Support Him.

INTERVIEW AT THE WILLARD

Thinks Foraker-Taft Fight Will portant Plank in Platform.

Judson Harmon, of Ohio, former judge United States under Grover Cleveland, was at the New Willard yesterday. Judge Harmon has recently been mentioned prominently by Democrats of his own

udge, "to hear that the boys had remem- victorious. ered me. Of course, nobody ever refuses such a nomination, and certainly if the Democrats of my State choose to support me, I should not refuse."

Judge Harmon was on the bench in Cininnati at the same time with Secretary Taft. Senator Joseph Benson Foraker, who was then Ohio's governor, was the man who appointed the Secretary of War to the bench.

the Foraker-Dick forces in his State will day, but only in a carriage. I am still ers' annuity fund, and, while I was in said that already the fight between the office I found the teachers who were on factions in the Republican party in Ohio a month. Instead, they were being paid end of that fight is apparently not yet in sight, that a much more noticeable "I asked the board of education to make an investigation and find out the trouble."

awakening of the Democrats there may be expected.

His Views on Platform.

On the question of a platform for the rriage when it happened.

"It has also been reported that I have over and go to sleep again.

"It has also been reported that I have over and go to sleep again.

"It has also been in operation. He said that for ten years the present tariff, practically unchanged, has been in operation. He

but he wants a limited revision. Other the President on the placing of surgeons dismissed. Republicans are in favor of a limited revision and one Republican has, I underwitness stand I could not talk and of the board of education were given a scheme would, I think, mean really a purpose of training men to take command

hem intelligently,'

Japanese Exclusion Question.

Regarding Japanese exclusion, or the in permitting a doctor to command a estriction of Japanese immigration to this country, Judge Harmon had but little to say. He said that he esteems it a their home land, be shut out. He said to be thus lightly dismissed." that the Japanese and Chinese do not come to the United States with the inten-

When asked about the matter of prohibition in the District of Columbia, Judge but it will be necessary for it to establish Harmon said that he believes that local option, such as is practiced in Ohio, is the most desirable method of dealing in so many naval stations and drydocks have to see him about it, as he is attendings, assisted by his son, who will have the most desirable method of dealing as are to be found on the Atlantic side of persons concerned, either as principals or persons concerned.

Dr. Chancellor was asked to particularize about some of the charges, which he declared were false.

"I will only mention one or two," he said, "but I could talk about the matter for fifty hours, if my condition would permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit. I was asked a few days ago how permit.
